#### **Annual Security Report**

The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act ("Clery Act") is a federal statute requiring all colleges and universities that participate in federal financial aid programs to keep and disclose information about crime on and near their respective campuses. This information can be found below.

This information is updated annually using information provided by the the UA Cossatot Police and local law enforcement agencies. UACPD also keeps a daily crime log that is viewable to the public at each Campus Police Office. The daily crime log is a list of all crimes reported to UACPD within the last 60 days. Information prior to 60 days can also be viewed but may not be readily accessible.

Among other requirements the Clery Act states that all colleges and universities must give a timely warning to staff, faculty, and students concerning any crimes that pose an ongoing threat to the campus community. UA Cossatot utilizes Rave Alert to notify faculty, students and staff during any such instance. Registrations for Rave Alert is free to all Faculty, staff, and students. When you register for Rave Alert <a href="https://www.getrave.com/login/cccua">https://www.getrave.com/login/cccua</a>, you will receive free, timely alerts directly to your phone or email. You will not only be notified of emergency information but will also receive information concerning campus closings due to severe weather.
