This form can also be requested by emailing ContinuingEducation@cccua.edu or calling (870)-584-1178. Tuition cannot be deferred for students who receive reimbursement directly from an employer or other entity nor can individuals be billed.*
- CREDIT/DEBIT CARD VISA Master Card Discover
 Card # _____ Expiration Date _____
 Cardholder's Signature _____

STEP FOUR: PROVIDE AUTHORIZATIONS & ACKNOWLEDGEMENTS

[APPLICANT] With my signature below, I hereby:

- ✓ Verify I have read, understand, accept and will comply with the Phlebotomy Technician Program Guidelines (Phlebotomy Technician TPG 01212025). Program representatives have answered any questions I have concerning the guidelines and how they apply to me to my satisfaction.
- ✓ Confirm I have attained a high school diploma or General Education Development (GED) Certification.
- ✓ Declare the information provided on this form is true and accurate to the best of my knowledge. I further understand that any misrepresentation or incorrect information provided can result in denied admission or withdrawal from the program.

Signature: _____ Date: _____

IF YOU WILL HAVE A SPONSOR FOR THE PROGRAM, PLEASE HAVE THE SPONSOR COMPLETE THE FOLLOWING PRIOR TO SUBMITTING THIS APPLICATION FOR ADMISSION.

If you have more than one sponsor, you may make a copy this page (Page 2 of 2, Phlebotomy Technician Program Application for Admission) and submit as many completed authorization and acknowledgements as you wish. Copies may also be obtained upon request to Continuing Education Services.

[SPONSOR] With my signature below, I hereby:

- ✓ Declare my organization will sponsor the registrant named in section two in the Phlebotomy Technician Program Application for Admission as is evidenced by the attached Continuing Education Third Party Billing Application.

Note: Continuing Education Third Party Applications are available in the resource section at www.cccua.edu/conted or by request at ContinuingEducation@cccua.edu or (870) 584-1178.
- ✓ Verify I have read, understand and accept the Phlebotomy Technician Program Guidelines (Phlebotomy Technician TPG 01212025). Program representatives have answered any questions that I have concerning the guidelines to my satisfaction.

Printed Name of Authorized Agent: _____

Signature of Authorized Agent: _____ Date: _____

STEP FIVE: SUBMIT YOUR COMPLETED APPLICATION FORM ADMISSION

Submit a completed Phlebotomy Technician Program Application for Admission and payment of tuition or a completed Continuing Education Third Party Billing Application to: Continuing Education Services, Cossatot Community College University of Arkansas, 183 College Drive, De Queen, AR 71832 or fax it to (870) 584-1178.

**The Following Phlebotomy Technician Program
May Be Kept For Future Reference**

UA COSSATOT PHLEBOTOMY TECHNICIAN PROGRAM PROGRAM GUIDELINES

The Phlebotomy Technician Program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students will become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom work includes terminology, anatomy and physiology; blood collection procedures; specimen hands-on practice; and training in skills and techniques to perform puncture methods. The program also includes lab exercises, live blood draws, work with a training arm and other exercises intended to prepare students to function as an entry level Phlebotomy Technician.

Course Cost

A total of \$1,799 is due at time of registration. The course fee includes tuition and textbooks.

Entrance Requirements

Cossatot Community College of the University of Arkansas seeks to meet the needs of the public by providing open enrollment into the Phlebotomy Technician Program. To be admitted into the program you will need to:

- (1) Have a high school diploma or General Education Development (GED) Certification
- (2) Submit a completed Phlebotomy Technician Program Application for Admission
- (3) Submit payment for tuition and textbook

OR

a completed Continuing Education Third Party Billing Application to Continuing Education Services on or before the “register by” date. This form is available at www.cccua.edu Select the “Community & Workforce” tab then “Continuing Education.” This form can also be requested by emailing ContinuingEducation@cccua.edu or calling (870)-584-1178. Tuition or textbook fees cannot be deferred for students who receive reimbursement directly from an employer or other entity nor can individuals be billed as a third-party.

Sponsors complete the authorization and acknowledgment section of the Clinical Medical Assistant Program Application for Admission to accept the Clinical Medical Assistant Program Guidelines and a Continuing Education Third Party Billing Application to establish a billing agreement.

Enrollment

The submission of a completed Phlebotomy Technician Program Application for Admission along with payment of tuition and textbook or Third-Party Billing Application to Continuing Education Services by the “register by” date are essential for processing requests for admission and enrollment into a course section. UA Cossatot seeks to provide learning opportunities for a variety of age groups. However, unless stated otherwise, students under the age of 18 will need prior approval from Continuing Education Services to register.

An admission advisor provides admission status updates as applicable. Applicants approved for admission may finalize enrollment in a course section with payment of tuition. Class sizes are limited and filled on a first-come first-serve basis. Early enrollment is encouraged to best ensure acceptance into the program.

Technical Requirements & Course Materials

This course is taught in the classroom. Content is provided in partnership with Condensed Curriculum International.

Students will need to bring a pen/pencil and paper to all sessions.

Attendance Policy

The Phlebotomy Technician Program is a fast-paced intensive program with stringent attendance requirements. The 90 hours of instruction must be completed in its entirety to successfully the program. Students are expected to arrive promptly and be present for each class. Any class session or activity missed whole or in part, regardless of cause, reduces the opportunity for learning and may adversely affect a student's ability to meet the learning outcomes required to receive a Certificate of Completion. Persons with life or health conditions that may hinder attendance may wish to delay application for admission until a strong commitment to attendance can be made.

If an emergency arises, students must contact their instructor as early as possible prior to the start of class to best ensure arrangements can be made to make-up missed instruction time. Make-up sessions are subject to the availability of an instructor and are not guaranteed; therefore, students who are late or miss class for any reason are not guaranteed they will be able to make up missed instruction time or successfully complete the course. Students that are absent from two (2) or more sessions, without scheduling and /or attending make-up sessions, may be subject to expulsion from the program.

If provision for supplemental training is requested and/or required in order to meet course requirements, the student shall be responsible for the costs incurred including payment of a classroom instructor hired by Continuing Education Services.

In some cases, a supplemental instruction experience may only be available at a site distant from the student's home campus. Students are responsible for their own transportation and other associated costs should they accept these arrangements.

Practice Obtaining Blood Samples

In addition to working with a training arm to develop skills and techniques to perform puncture methods, specimen hands-on practice will also include live blood draws. All students will be required to both obtain specimens from classmates and allow classmates to obtain specimens from them on a regular basis.

Dress Requirements/Student Conduct

Students are preparing for professional careers; therefore, each student is expected to dress and groom themselves in accordance with accepted social and business standards. The following dress and grooming guidelines are applicable to all in-person sessions:

- Heavy perfume or other potentially offensive odors are not acceptable.
- Students are not to come to class smelling of cigarettes; breath should be fresh after coming in from break.
- Hair should be clean and pulled back if long.
- Professional business attire should be worn during the pinning ceremony.

Failure to observe the dress code and/or failure to comply with other program guidelines will result in termination from the program.

Note: Students have access to the college's course catalog and handbook at www.cccua.edu/catalog. It is the responsibility of the student to carefully read the publication and be aware of the rules, regulations, etc.

Requirements for Successful Completion

- (1) Attend required training sessions
- (2) Complete all required quizzes and assignments
- (3) Demonstrate safe practice
- (4) Comply with program guidelines
- (5) Achieve a passing grade of 76% or greater

Certifications

Upon successful completion of this course, students will be awarded a *certificate of completion* issued from *Cossatot Community College University of Arkansas*. National certification exams are available at an additional cost for students who successfully complete this course, including the National Health Career Association (NHA) Certified Phlebotomy Technician Exam and the National Workforce Career Association (NWCA) Phlebotomy Technician Exam.

Inclement Weather

In the event that the area weather is so severe the College feels that life and property may be in danger, classes may be cancelled until weather and road conditions improve. We strive to distribute announcements regarding closures to our students, faculty, and staff in a timely fashion. Announcements regarding College closings will be made through college social media accounts and over the following radio stations: in De Queen KDQN 92.1 and KTYC 88.5 and in Nashville KMTB 99.5 and KBPU 88.7. Online or web-enhanced classes will continue as scheduled at the discretion of the faculty member.

Refund Policy

Tuition is fully refundable up to the "register by" date. Our goal is to ensure the greatest opportunity for participation in courses; however, late registration cannot be guaranteed and is non-refundable. A full refund of tuition will be issued automatically, and registrants will be notified, if a class is cancelled by UA Cossatot due to insufficient enrollment or other unforeseeable reason prior to the start of the course. UA Cossatot reserves the right to reschedule, cancel, and appoint an alternate instructor for all classes.

It was and will not be possible for the College to foresee, plan for, or mitigate all the consequences unforeseeable circumstances may have or cause. Should an unforeseeable event impact training, when feasible, training events and services are not cancelled but rescheduled as soon as practical. In the event a course is cancelled after it has started, tuition is prorated excluding nonreturnable books, supplies and equipment. The rate is computed by dividing the total hours of scheduled training and services divided by the percentage of hours not rendered.
