Parent(s)/Stepparent(s) may use this form to report changes that have occurred since filing the 2024-2025 Free Application for Federal Student Aid (FAFSA). Changes resulting from this review do not guarantee an increase in aid. You must complete all questions on this form and provide all requested documentation. If required documentation is not attached or items are missing or left blank, this form will be returned to you unprocessed. If clarification of your situation is necessary, this office may request additional information or documentation beyond the requested items below.

The method used to determine a student's financial need is based on the applicant's 2022 income and assets. Also, if the student is dependent, the parent's 2022 income and assets are used. If, however, there has been a major special change in your situation since filing the Free Application for Federal Student Aid (FAFSA) or Renewal Application, or you have special circumstances that were not taken into consideration on the federal application, you (the parent) should use this form to inform our office of the change or special circumstances.
