

HAZING AWARENESS AND PREVENTION PROGRAMS

Hazing awareness and prevention programs will be provided to students, staff, and faculty related to hazing awareness and prevention education. These programs may be offered online or in person and will be targeted to reach all members of the college community, will be research-informed, and will include primary prevention strategies. For more information on hazing awareness and prevention programs, please review [identify / insert link, if applicable]. Hazing awareness and prevention programs will be described in more detail and published on an annual basis in the University of Arkansas at Cossatot's Annual Security Report.
